Direct Deposit

If your employer offers direct deposit, you can have the convenience of direct deposit right here at the Credit Union! We will automatically handle your deposits to your share draft (checking) account, savings, IRA, or Christmas Club, and even if you arrange for automatic payments on your Credit Union loans.

All you have to do is contact your payroll office and tell them you want direct deposit to the Credit Union. You must give them your Credit Union account number and our Routing and Transit number.

We can accept a set amount each pay period, or your full net pay amount, whichever you choose and your employer permits. The Credit Union Routing and Transit number is 2113-8565-3.

I authorize direct deposit of: (mark one)
